THANK YOU TO OUR FOUNDING PARTNERS

The ICD Corporate Governance College and the University of Toronto's Rotman School of Management, in partnership with the University of Calgary's Haskayne School of Business and other leading business schools, offers the comprehensive four-module Directors Education Program (DEP).

Graduates of the DEP are eligible to obtain the ICD.D designation granted by Canada's Institute of Corporate Directors. ICD.Ds have formal education, have served on Boards and have met the national professional standards set for directors by the Institute.

"The effectiveness of a Board of Directors, like every aspect of an organization, is dependent on the quality and commitment of the people involved. The knowledge acquired in the Directors Education Program will enable every participant to better fulfill his or her obligations and responsibilities as a director in any organization."

Brian Hesje, CEO,
Fountain Tire

HASKAYNE
School of Business

Rotman
