“The top notch faculty, combined with well selected case studies, were a great foundation for the lively debate and discussion among my exceptional group of classmates. The learning exceeded my expectations.”

— PATRICIA NEWSON, AltaGas Utility Group Inc.

“This program gave me an opportunity to learn about the pitfalls and the opportunities that come from being a corporate director in Canada. The dynamic of being in a class filled with enthusiastic and knowledgeable people is a truly excellent experience, and the leaders and lecturers used their time to focus much of that knowledge into real world situations. I enjoyed every moment of the discussion and feel that I have come away with some outstanding ideas and heightened awareness of my role as a director.”

— GEORGE BROOKMAN, West Canadian Industries
