HASKAYNE
School of Business

“The Directors Educational Program provided an excellent framework to address the issues that confront directors today. Further, the diverse backgrounds and experiences of both the instructors and the class members added substantially to the overall learning experience. As a result of this program, we are all better trained to address corporate governance and its challenges.”

— **BLAIR NIXON**, InterBorder Holdings Ltd., Calgary DEP 9 Graduate

Applications are now being accepted for the following programs:
