

Congratulations to the graduates of our 15th Calgary ICD-Rotman Directors Education Program

"Tomorrow depends on the decisions we make today. To make these decisions, boards need to consider more variables than ever before, and we need to be prepared. This course does just that – from Strategic, Financial and Risk Oversight, to Leadership Development and Succession Planning – and does so in a dynamic group setting with top-notch course material, professors, and professionals. Truly a memorable experience!"

— **MIKE LAMBERT**, Member of the Board of Directors, Yellow Media and Senior Vice President and CFO of Parkland Fuel Corporation, *Calgary DEP 15 Graduate*
