

# Congratulations to the graduates of our 16<sup>th</sup> Calgary ICD-Rotman Directors Education Program

*“Michelangelo said, I am still learning - and that’s the point of the ICD/Rotman Directors Education Program. Today’s complex business environment demands that Directors continue to sharpen their skills as critical thinkers and strategic problem solvers. Better decisions come from better understanding, and this course provides the knowledge and insights necessary to enhance the effectiveness of all who seek to better themselves.”*
