“The exceptional value of the Directors Education Program comes from the high quality of course instructors, the real and practical case studies, the sound advice provided by the Executives-in-Residence, plus the preparation and participation of dedicated course participants. As a result of this program, graduates will become more effective and productive directors.”

— **FRED J. DUNN, FCA, Auditor General (Alberta)**

Better Directors. Better Boards. Better Business.

Directors have embraced the opportunity to go back to school to become more effective in their role:

- > More than 1,000 directors have enrolled in 37 offerings across Canada to date
- > More than 700 graduates have successfully completed the four-module program
- > More than 400 directors have been certified with the professional ICD.D designation, recognized both nationally and internationally

We are currently accepting applications for the following programs:
