Congratulations to the graduates

“ I have learned new skills, gained confidence and knowledge that have immediately helped me add value at the board table to the benefit of the people we serve. ”

— NEIL WILKINSON, Capital Health, Edmonton DEP 2

“ I would highly recommend this program to anyone who wants to be a productive, well informed member of any board. The content of the topics is thoughtful and relevant, the material is thorough, and the instructors are dynamic and at the top of their field. Perhaps best of all, the course is designed to foster stimulating, worthwhile discussion and debate with fellow classmates, bringing invaluable depth and insight to these essential worthwhile topics. ”
