“A satisfying and enlightening professional development experience. A compelling brew of focused sessions with top-flight professional facilitators mixed with a mature “who’s who” of participants sharing hundreds of years of director/advisor experience. The ICD-Rotman program raises the bar of director competence by fostering critical examination of informed options that ultimately create confidence within the Boardroom. It is an indispensable course for any prospective director.”

— **ANDREW HLADYSHEVSKY, QC**, Partner, Fraser Milner Casgrain, Edmonton DEP 6 Graduate
