

# DIRECTORS EDUCATION PROGRAM

Congratulations to our 47<sup>th</sup> Toronto DEP class on successfully completing the DEP  
**CANADA'S LEADING PROGRAM FOR EXPERIENCED DIRECTORS**

“The ICD-Rotman program for experienced Directors was extremely valuable. The professors and practicing professionals delivering the challenging material were excellent and, as importantly, the class participants were exceptional accomplished individuals who will remain in my network. Discussions were lively and interesting, the reading materials and case studies were relevant and cogent and the teamwork simulated a real boardroom”
