

## DIRECTORS EDUCATION PROGRAM (DEP)

# Congratulations to our 60<sup>th</sup> Toronto class on successfully completing the DEP CANADA'S LEADING PROGRAM FOR DIRECTORS

“The ICD-Rotman Directors Education Program is an outstanding program that far exceeded my expectations. The program is well designed and addresses in a highly relevant manner all of the major concerns, responsibilities and expectations of a professional corporate director. Likewise the execution was of a very high caliber; the faculty, each of which were leading subject matter experts, were also engaging and highly effective communicators. I have already recommended this program, without reservation, to a number of my colleagues.”

— ALLEN LOGUE, CHAIR, COMMUNITY TRUST COMPANY, TORONTO DEP 60, CLASS VALEDICTORIAN

“Good governance is more than an ideal. It’s a promise that Directors make to all the stakeholders associated with a venture whose Board they sit on. The ICD-Rotman DEP is a comprehensive program covering the essential elements of effective Board governance and oversight, presented by knowledgeable, experienced professionals with credentials spanning both classroom and boardroom. With an emphasis on practical and current case studies, the discussions are relevant, powerful and focused on strengthening both Board and leadership skills. I highly recommend the DEP to both new and experienced directors.”

— HELEN GIFFEN, CORPORATE DIRECTOR, TORONTO DEP 60, CLASS VALEDICTORIAN

Completion of the Directors Education Program is your first step in attaining the ICD.D designation. Applications are now being accepted for the following DEP programs.
