

DIRECTORS EDUCATION PROGRAM (DEP)

Congratulations to our 62nd Toronto class on successfully completing the DEP
CANADA'S LEADING PROGRAM FOR DIRECTORS

 Institute of Corporate Directors
 Institut des administrateurs de sociétés

 Rotman School of Management
 UNIVERSITY OF TORONTO

“The ICD-Rotman Directors Education Program (DEP) is the most significant business education program I have ever taken. It is absolutely essential for anyone committed to corporate excellence while serving on boards, be it in the public, private or not-for-profit sectors. Whether you are an experienced board director or someone considering a board position, the DEP will make you better. All aspects of board governance are dealt with - from risk and strategy, through to liability and corporate relationships. The instructors are exceptionally capable - experienced, interactive and wise. In my view, all boards from all sectors should demand that the DEP be a mandatory component for directors during their tenure on a board. It is that good.”

— ED HOLDER, TORONTO DEP 62 CLASS VALEDICTORIAN

Completion of the Directors Education Program is your first step in attaining the ICD.D designation. Applications are now being accepted for the following DEP programs.
