CANADA'S LEADING PROGRAM FOR DIRECTORS

 Institute of Corporate Directors
 Institut des administrateurs de sociétés

 Rotman School of Management
 UNIVERSITY OF TORONTO

“The ICD-Rotman Directors Education Program is a “must do” for anyone interested in becoming a more effective director. The engaging faculty draws from real-world insights and experiences to spark interesting debates about leading practices of high-performing boards. Our highly diverse cohort of accomplished leaders fostered tremendous exchange of knowledge during group case studies and board simulations, which often spilled onto lunch, breaks, and after-class in-depth discussions. We emerged from every module of the course inspired to drive excellence in the boardroom, and equipped with knowledge that could immediately be applied to our current board challenges.”
