“The ICD - Rotman DEP covers all the essential elements of what is required to be an effective independent director in today’s environment. It provides comprehensive, practical frameworks to support key board responsibilities and doesn’t shy away from real but difficult issues. The program includes the more technical areas, but also the personal attributes that are so critical to being a successful board member.”

— CATHY CRANSTON, TREASURER, BANK OF MONTREAL, TORONTO DEP 74, CLASS VALEDICTORIAN
