

DIRECTORS EDUCATION PROGRAM (DEP)

Congratulations to our 76th Toronto class on successfully completing the DEP
CANADA'S LEADING PROGRAM FOR DIRECTORS

 Institute of Corporate Directors
 Institut des administrateurs de sociétés

 Rotman School of Management
 UNIVERSITY OF TORONTO

“In the age of #MeToo, cybersecurity risk, and the erosion of public trust, the role of the corporate director has never been more challenging – or more important. The ICD-Rotman Directors Education Program makes effective use of case studies, engaging speakers and healthy debate to ensure that good structure and great process are applied to boardroom decision making.”

— KRISTI MILLER, FIRST WEST CAPITAL, TORONTO DEP 76, CLASS VALEDICTORIAN

“Good governance is critical to build trust in business. Without deep and broadening dialogue at the boardroom table companies will struggle to navigate intensifying risks like technological disruption, climate change or rising inequality. The ICD-Rotman DEP helps hone your ability to foster insightful debate and dialogue in the boardroom. Skills well worth fostering in my view.”

— JENNIFER L. W. WILSON, AIL GROUP OF COMPANIES, TORONTO DEP 76, CLASS VALEDICTORIAN
