

DIRECTORS EDUCATION PROGRAM (DEP)

Congratulations to our 81st Toronto class on successfully completing the DEP CANADA'S LEADING PROGRAM FOR DIRECTORS

“In a world where both opportunities and competitive threats emerge rapidly from far beyond our borders, it is more important than ever that Canadian companies be guided by directors with a broad perspective and strong grounding in ethics. The ICD-Rotman DEP prepares directors to not only lead today’s boards with principled independence, but to ask the questions and facilitate the conversations that will help build the businesses of tomorrow.”
