School of Business  
UNIVERSITY OF BRITISH COLUMBIA

*“Today’s corporate directors face constant change and bear the weight of increasing responsibilities; they cannot afford to be static in their thinking or learning. This ICD course helps directors and future directors to prepare for the inevitable challenges that arise in every organization. Learning to learn from experts and fellow participants makes this course essential to be effective as directors.”*

— **GLENN WONG**, Coast Capital Savings, Vancouver DEP 6 Graduate

Join a recognized group of business leaders by attaining your ICD.D designation. Completion of the Directors Education Program is the first step in obtaining the ICD.D. Applications are now being accepted for the following DEP programs:
