"The DEP program has already improved my effectiveness as a Board member, specifically by giving excellent guidance about board assessment. It's a very useful program!"

— **DR. BLAIZE HORNER REICH**, Segal Graduate School of Business, Simon Fraser University, Vancouver DEP 8 Graduate

"This program was the best learning experience that I've had since university. The course content was relevant to anyone sitting on a board, the instructors kept the class engaged, and the participants, all of whom were experienced directors, contributed to a dynamic learning environment."
