

DIRECTORS EDUCATION PROGRAM

Congratulations to our 12th Vancouver DEP class on successfully completing the DEP
CANADA'S LEADING PROGRAM FOR DIRECTORS

“The ICD-Rotman DEP is extremely thorough, and rounds out important knowledge for any director, while pushing the envelope on new trends. All presented by an engaging faculty, which made it...dare I say, fun! The camaraderie and experience gained from class participants was second to none. The DEP takes Canadian governance to new levels.”
