

### **Vice President, Chapter Relations - ICD**

The Institute of Corporate Directors (ICD) is a not-for-profit, member-based organization with the purpose of improving trust in Canadian organizations by supporting Canadian Directors and Boards across the for-profit, not-for-profit and Crown sectors. The ICD is continuing its strong growth with over 14,500 members in 11 Chapters across Canada, and now has over 5,000 (ICD.D certified) accredited members nationwide. The organization fosters the sharing of knowledge and wisdom through education, professional development programs and services, and thought leadership to the highest standard of directorship. ICD members across all sectors of the economy oversee well in excess of \$1 trillion in market capitalization and institutions that impact the lives of virtually every Canadian.

In addition to many exclusive benefits ICD members receive, each year, the ICD hosts a highly regarded National Conference and Fellowship Awards Gala. It brings together seasoned directors, executives and industry leaders for two days of thought leadership, networking and celebration featuring profile speakers and panel discussions on important emerging governance issues and recognition of leading Directors.

Reporting to the President & CEO, the **Vice President, Chapter Relations (VP)** serves as an ambassador for the organization accountable for forging and evolving strong partnership relationships with the ICD Chapters that play a significant role in the delivery of programming and engagement with their members across Canada. The VP will need to gain a comprehensive and deep understanding of the Chapters' concerns and priorities in order to support the Chapters through the National office, as well as to contribute to the programming and local member service in support of member engagement. The VP will build on and deliver the plan to achieve the ICD's strategic goal to "**Enable local leadership**", will proactively facilitate equipping Chapters with the resources necessary to attract and engage local contributors to board leadership who are personally committed to our shared ICD Purpose. The VP will operate in a way that helps the ICD to achieve its strategic goal to "**Build Operational Excellence**", by ensuring that all local events are well run and executed and assisting in developing relevant content for the local Chapters.

A natural facilitator and relationship builder, you bring a proven ability to engage partners and other resources to foster collaboration between Chapters and the organization. You have lead others through influence to pursue and capture opportunities in member engagement and acquisition along with exceptional event management experience. You are bilingual - inclusive, professional and action-oriented, you have a track record of mobilizing the efforts and talents of others towards shared goals
